Hotel Check-Out

Homeland

Armchair Dialogue with Claudia Henschke, PhD, MD, Mt Sinai Medical Center
Say hello to Dr. Henschke, and ask her what you always wanted to know about low-dose spiral CT lung-cancer screening.

AGENDA

Friday, March 21, 2014

9:50 AM

Concurrent Conversations

These are facilitated, cross-disciplinary small groups which have experts as resources for structured conversations linked to topics covered earlier in the Dialogue and which lead to recommendations for action to be shared with all participants. A six-month follow-up survey will collect data on related post-Dialogue cancer screening activities of participants.

Watertable A

1. On the Frontiers of Cancer Screening Technologies: Implications for Physician Practices and Public Health Programs

Facilitator: Eileen Steinberger, MD, MS, formerly of the *Maryland Department of Health and Mental Hygiene*

Resource People: Lincoln L. Berland, MD, *University of Alabama School of Medicine*
Anil Chaturvedi, DVM, PhD, MPH, *National Cancer Institute*

Watertable B

2. Right-Sizing Cancer Screening: Balancing Benefits and Harms

Facilitator: Durado D. Brooks, MD, MPH, *American Cancer Society*

Resource People: Christie Aschwanden, *Washington Post*

Ruth Etzioni, PhD, *Fred Hutchinson Cancer Research Center*

Maryland A

3. Opportunities and Challenges for Cancer Screening under the Affordable Care Act (Group A)

Facilitator: Elizabeth A. Westbrook, MCHES, *Kentucky Cancer Program*

Resource Person: Citseko Staples Miller, *American Cancer Society Cancer Action Network*

Watertable C

4. Strategies for Improving Doctor-Patient Communication about Cancer Screening and Prevention

Facilitator: Lina Jandorf, MA, *Mount Sinai School of Medicine*

Resource Person: Noel Brewer, PhD, *University of North Carolina*

Guilford

5. Opportunities and Challenges for Cancer Screening under the Affordable Care Act (Group B)

Facilitator: Erica Childs Warner, MPH, *Prevent Cancer Foundation*

Resource Person: Marcus Plescia, MD, MPH, *Mecklenburg County (NC) Health Department*

Fells Point

6. Closing the Gap on Disparities: Innovations and Best Practices

Facilitator: Michelle Tropper, MPH, *New York University Cancer Institute*

Resource People: Charles Modlin, MD, MBA, *Cleveland Clinic*

Rena Pasick, DrPH, *University of California, San Francisco*

AGENDA

Friday, March 21, 2014

11:30 AM

Baltimore Ballroom A & B

Mobile Health: How Can It Play a Role in Cancer Prevention and Early Detection?

Mobile health applications have quickly transformed the medical landscape, revolutionizing the way patients monitor their health and interact with healthcare providers. What roles could these devices play in preventing cancer or detecting it in its earliest stages? This moderated discussion panel of mobile health experts will explore the benefits, risks and potential for the rapid adoption of mobile health in cancer prevention and early detection.

Moderator: David R. Hoover, MA, *Government Affairs, CTIA -The Wireless Association*

Panelists: Anand K. Iyer, PhD, MS, *WellDoc, Inc.*

Juan Pablo Segura, CPA, *1eq, Inc.*

Laurie Singer Sievers, *Johns Hopkins Sidney Kimmel Cancer Center Advisory Board and independent network television news producer*

12:45 PM

Open Microphone and Closing Remarks

- Karen J. Peterson, PhD, *Prevent Cancer Foundation*

1:00 PM

Program Concludes

Lunch on Your Own
